Amistad Prayer Update February 17, 2017

Club Amistad El Buen Pastor of Castaños, Coahuila

Among Amistad's earliest Club starts, the Club of Castaños continues to be a model for others within both Noreste and Huastecas Prebyteries. Director Mary Flores has been leading the club since its beginning in 2010. With a current enrollment of 35 children, in addition to its Bible (Proverbs) and Literature (Heidi) studies, this Club gives special attention to developing a heart for

Christian service in the lives of the children and their families. The Club arranges regular activities in service to the local church and its community such as clean up days at local parks.

Club Director, Mary Flores, asks Amistad partners to pray for the youth who as children participated in the Club and now serve as music leaders and classroom assistants. Pray for their Christian discipleship and their development as leaders. Praise God for His development of a new generation of God-honoring Mexican leaders!

Please join us in prayer this week for:

Ministerial staff of Huastecas Presbytery and their spouses who will participate in a Ministerial Marriage conference this coming Thursday-Saturday sponsored by the Commission of Missionaries of the Presbyterian Women of the Mexican National Presbyterian Church. Pray that the Holy Spirit will move among the participants and bring healing and Kingdom vision to their marriages.

Amistad scholars: Simon, Aurora, Isabel, Moises, Ninel and Federico, that God would encourage them and give them knowledge and wisdom as they continue their studies. Pray for Moises as he decides where to attend college in the Fall after his graduation from High School.

An upcoming AMO® teacher training in Frijolillo, SLP (April 17-21), pray that God would encourage those He is calling to participate in the program. Pray for the host church as they make preparations. Pray for AMO® trainer Esther Suarez of Oaxaca as she prepares for her travels and ministry among us in the Huastecas.

The leadership of the Getsemani PC of Huitzitzilingo (Hidalgo) as they discern God's plans for their children's outreach ministries both at home and in two of their missions. Pray that God would raise up leadership to lead the evangelistic and discipleship ministries.

Join us in giving thanks to God for:

Special contributions to Amistad which will make the April AMO teacher training possible.

Thank you for your prayers and financial support which make these ministries possible.
