Amistad Prayer Update March 17, 2017

## Club Amistad of Frijolillo, San Martin Chalchicuautla SLP

The 24 children of Club Amistad at the Most Holy Trinity PC of Frijolillo are led by a team that includes Susie Frerichs and her husband Abraham and 6 youth from the local church. This year they are studying Genesis and Pinnocchio; learning how a sovereign, loving God created the entire creation (including them!) for a specific purpose and how to God molds our character through the experiences of our lives that His glory might shine through us. This year for Arts, the children chose between theater, guitar and basic keyboarding classes. Thanks to volunteers Benjamin Hernandez, Moises Hernandez, Melissa Hernandez and Judith Hernandez they are learning to develop their God-given creativity.

**Please join us in prayer this week for:**

**AMO trainer Esther Suarez and trainees in the Presbytery of the Huastecas.** A second training event is being held in Frijolillo this Monday through Friday for Club assistants and future instructors. Pray the Holy Spirit will renew minds and hearts and encourage them to commit to providing Christian education for our children. Pray for safety in travels for our sister Esther who comes from Oaxaca.

**Angelita Solis' health** and patience stamina for the family as they care for her (Roberto Medina's mother).

**Club Amistad participation in local congregational celebrations** of the Resurrection, that the Holy Spirit will touch the lives of unbelievers among Club parents.

**Susie Frerichs' health**, issues are relatively minor, but bothersome none the less. Pray for God's healing touch to resolve these issues.

**Club Castaños children performed a skit during Palm Sunday services at**

**Buen Pastor Presbyterian Church**

**Thank you for your prayers and financial support which make these ministries possible.**
