

## We invite you to partner with Proyecto Amistad

### Transforming lives, homes, communities & a nation

Even if you cannot travel to Mexico to participate personally Club Amistad ministries, you can help Presbyterian congregations across Mexico achieve their goal of training a new generation who loves God and serves communities in the love & power of Christ.

The first Club Amistad opened in 2009 with 17 children at the Victory in Jesus Christ congregation of Nuevo Laredo, Tamaulipas. In 2016 we support 16 Clubs with 500 children participating in five Mexican states (San Luis Potosi, Hidalgo, Tamaulipas, Nuevo Leon, and Coahuila).

### How can you participate?

**Praying** for Club Amistad instructors who volunteer their time to instruct the children in their communities in the love of Jesus Christ. They are the first line in transformation as they give of their time and example to the children. Pray that they will be guided by the Holy Spirit and receive the spiritual nourishment they need to persevere when the challenges of children's ministry are greatest. Pray also that God would raise up new volunteers to support the programs.

**Providing the financial support** the ministry needs to support the Clubs. \$50.00 provides a Bible, supplies, meals, and program materials for one child for the entire Club school year (September through May). Financial gifts can be sent to Proyecto Amistad at PO Box 17866 San Antonio TX 78217. Your gifts are 100% tax-deductible.

**Providing material support** for the Clubs. Below is a list of items needed by the Clubs, though any school and craft items are of use. These materials can be mailed to: Proyecto Amistad PO Box 272 Laredo, TX 78042.

1" three-ring "view" binders, divider sheets for three ring binders, 12 count colored pencils, pencils, erasers, zipper close pencil bags for three ring binders, scissors, glue, markers for White boards, acrylic or washable paints, construction paper, white copy paper, etc. Clubs can also use guitars, keyboards or other musical instruments as some Clubs offer music lessons. Also, sports equipment like soccer, volley and basketballs are wonderful gifts for the Clubs.

**Finally, you are invited to participate personally** in our programs, sharing your skills with the children of the Clubs or the congregations that minister to them. Perhaps you can teach music, English, computing, painting, sewing, carpentry, athletics, cooking, or first aid skills. The opportunities are endless!

**Don't miss out on the opportunity to be part of the transformation of Mexico!**
